40th annual picnic

Ontario-Upland Unit No. 27, Disabled American Veterans Auxiliary and Chapter will hold its 40th annual joint picnic Thursday, August 26, at 6:30 p.m. in Memorial Park, Upland.

Unit No. 27, formed more than forty years ago to serve veterans of World War I, still has seven WWI veterans as members. The Auxiliary, whose main project is sewing for patients in Veterans Hospitals, made more than 50 lap robes for wheel chair patients in the San Bernardino County VA Hospital last year.

The annual social event is for members and their guests only.

Barbecue slated

The Upland Lions Breakfast Club invites the community to join them for their second annual barbecue to raise money for the club's charities, including City of Hope, the March of Dimes and the Guide Dog Foundation for the Blind.

Sunday, August 29, from 3 to 8 p.m. in Upland Memorial Park the Breakfast Lions will combine good food with hard work to add to their general charity fund.

Club president Donald Stone said, "The idea of this barbecue is to build up our resources so that we can offer more help to these worthy projects."

This community services benefit in the Atwood Kitchen area will feature chicken hot from a fire pit and corn on the cob fresh from the field. Completing the menu will be potato salad, rolls and butter, ice cream and beverage.

Chairman for the barbecue is Pete Tichich; co-chairmen are Bill Milton and Roger Olson. Arranging for entertainment is Ray Stump.

At the barbecue itself, Frank Tundis, John Tundis and Kats Shiba will be in command of the fire pit while Ed Smothers coordinates the corn detail.

Rummage sale

The West End Democrat Club wishes to remind everyone of the rummage sale September 1 through 4. Proceeds go to keep the club office at 458 North Euclid open the year round.

Anyone wishing to contribute items to the rummage sale may bring them to the club office from 9 a.m. to 7 p.m. daily until September 1. They may then bring them directly to the rummage sale location at 135 North 2nd Street. Rummage sale hours for the four days are 9 a.m. to 7 p.m.

Playhouse now casting

The Upland Playhouse is now casting for its second production, Arsenic and Old Lace. Theater owner Wally Hindle said male actors are needed for the play between the ages of 20 and 65. No previous acting experience is necessary. Aspiring actors are urged to call 624-8836 September 23, 24, or 25 to arrange for a tryout. Play will open first week in October.

Presently playing at the Playhouse is Neil Simon's comedy The Odd Couple with a combination of experienced and novice actors. For reservations call 624-8836.

Caborcan condolences

Upland City Council sent formal condolences Monday to the City of Caborca, Sonora, Mexico, Upland's Sister City on the loss of Fire Chief Senior Liberator Monreal who was killed recently.

A City Council resolution to the Mayor of Caborca expressed sympathy that Senior Monreal was killed "thereby depriving the City of Caborca of leadership in her fire department."

The Council asked the Mayor to present the sincere sympathy of the City Council of Upland to the relatives of Senior Monreal for their loss.

Senior Monreal visited Upland on several occasions and engaged in international training of fire personnel with the Upland Fire Department.

Upland Earth Center

The Earth Center is coming to Upland. A course in Claremont on the environment presented by three professors from Cal Poly early this year has led to the establishment of an environmental education center to be located at 388 N. Third Avenue, Upland, opening September 20.

Interested people from various local organizations are sponsoring the Center and people from Upland and neighboring communities are invited to come in and learn what they can do to help the environment.

The Earth Center features slide shows, speaker's bureau, books, pamphlets, booklets and posters for ecology fairs. It will serve environmental organizations by providing a means to distribute their newsletters and other material they wish disseminated.

The hours will be from 9:00 to 12:00 weekdays and the telephone number at the Center is 985-4513. Some of the staff on hand to help will be Marva Pearce, Terri Upton, Helen MacLaren, Carol Dent, Pat Howell, Alma Jameson, Barbara Jones, Sharon Jones, Lucy Loberman, Sherry Stephens, and Shirley Harris.

Ruling on raises awaited

The Presidential order Sunday calling for a 90-day nationwide price and wage freeze has caused some confusion among city officials as to whether or not the city can implement the pay increases to city employees recently granted.

Acting City Manager Lee Travers checked with city attorney Donald E. Maroney immediately on Monday morning to determine the procedure on city raises following

President Nixon's television announcement of the wage and price freeze Sunday.

Maroney is "seeking implementing instructions" from the federal government on the 90-day temporary freeze.

City employees had been granted a 2.5 percent average salary increase effective August 1. Those increases have been programmed into the city's computer payroll service for payment on August 21. No one has

actually received a check with the increase, however.

Travers said every effort will be made to get some kind of federal ruling prior to the August 21 payday for city employees.

He said the city has two choices -- to let the machinery roll as it is (reflecting the increases), or to tear up the checks prepared by the computer and reprogram the machine to prepare a new set of checks at the old wage rates.

The national freeze order also affected the city's plans to increase refuse collection rates. A resolution had been prepared for the Council to act on Monday night revising the refuse collection rates upward.

The City Council continued the reading of the resolution for two weeks to give the city attorney time to determine whether the city can increase the rates or must wait the 90 days the federal freeze is in effect.

Operations to begin at Padua substation

Southern California Edison Company's Padua Substation, a new source of electric power for some 60,000 people in the Upland - Claremont - Cucamonga area, is scheduled to begin operation Sept. 1, according to M. E. Horsley, Edison district manager. The station has been under construction for the past year.

Padua Substation, located on a 30-acre site at the intersection of 16th Street and Campus Drive will receive 220 kv (kilovolt) transmission lines from Etiwanda Steam Station, 10 miles east and from Mira Loma Substation, 10 miles southeast. The facility's equipment will step-down the power to lower voltages for transmission to five smaller sub-

stations serving homes and businesses in Upland, Ontario, Cucamonga, Alta Loma, Montclair, Claremont, La Verne and San Dimas.

The new addition, Horsley said, not only provides for continued high quality of electric service to Edison customers in the area, but also provides a broad base for additional residential and business growth.

Initial development of Padua Substation represents an investment of approximately \$4 million which ultimately will grow to \$10 million at maximum capacity. Initially, property taxes will amount to about \$100,000 yearly, the local Edison representative said.

Upland taxes remain same as last year's

Taxes for the City of Upland will remain the same for the fiscal year 1971-72 as in previous year at \$1.80 per each one hundred dollars of the assessed valuation of real property.

The tax revenue will be applied to the following city services: For the General Fund \$8953 per \$100 valuation; for Parks and Recreation \$3445 per \$100 valuation; for the Library Fund .30 per \$100 valuation;

Capital Outlay Fund .0586 per \$100 valuation and the Retirement fund .2016 per \$100 valuation.

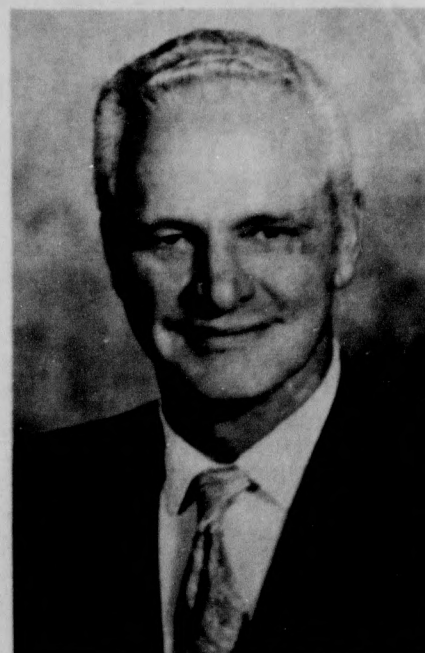

The city council adopted resolutions Monday night setting the tax rate and the amount of money necessary to be raised as: General Fund, \$587,424; Parks and Recreation, \$226,075; Library Fund, \$196,843; Capital Outlay Fund, \$38,435; and Employees' Retirement Fund, \$132,283.

United Fund names two Upland men

Two Upland men have been named Vice-Chairmen of the West End United Fund 1971 Campaign by Chairman Tom Maginn.

Dick Pehl, Plant Engineering Superintendent at Kaiser Steel Plant in Fontana, and George Ehrnman, First National Bank and Trust Company Vice-President and Controller, have accepted responsibility for recruiting and organizing local volunteer leaders to manage seven of the eleven divisions making up the annual drive.

Pehl will direct the leadership of the Individual Gifts, Professional and Government Divisions with a total goal of \$55,000.

Ehrnman's Divisions include the Business, Finance, Commercial and Agriculture with a combined total goal of \$50,000. "Other Division goals have not yet been determined," Maginn said.

Pehl, a native of Upland, has been a volunteer worker in past United Fund Campaigns. He most recently worked as an Industrial solicitor in 1969 and as a Loaned Executive in the 1970 campaign. He is a member of the Budget Committee and serves on the Executive Board of the fund.

Ehrnman, also a West End native, has served as a volunteer solicitor in the Professional and Business section in the 1968-1969 campaigns and as Chairman of last year's Finance Division and led that division over its goal.

The 1971 campaign will kick-off on Sept. 23 to raise funds in its once-annual crusade for the 29 local agencies.

History buff

Bruce Smith of Alta Loma is surrounded by his western paintings and holds a model of the old Red Cars that were part of the now defunct Pacific Electric Railway Company that ran "from the beach to the mountains." Smith is a writer, artist, model train builder, history buff and collector who has made the Ontario and San Antonio Heights Railroad his specialty. He has helped to write 40 books on the old railroad that ran up the center of Euclid Avenue.

Alta Loma artist loves local legends and lore

An Alta Loma artist who came to California in 1948 to study the history of the Pacific Electric Train Company fell in love with the legends and lore of the West End communities and he is still here.

Bruce and Helen Smith use their Alta Loma home as a base for their writing, painting, model trains and tons of memorabilia calling up the history of the West End.

The Ontario and San Antonio Heights railroad which ran up the center of Euclid Avenue is a favorite with the Smiths and they have painstakingly rebuilt the cars, trudged the hills looking for stations, power plants, pieces of track, or any reminder of the little train that made its first run July 17, 1895, powered by two mules, Moody and Shankey.

Using old photographs, the Smiths seek out the landmarks that marked the route of the Ontario and San Antonio Heights Electric Park in Upland where the trains turned around is still

recognizable from a 1910 photo. The stone castle on Mountain Avenue built in 1895 as a power house, is partly standing amid towering old trees and clinging ivy.

The Smiths have collected old time tables of the Ontario and San Antonio Heights and have many photos, including one of the little mule who pulled the train up to the top of Euclid Avenue and then climbed on a special platform and rode down again.

As a result of all this collecting, Smith is a heavy contributor to train magazines and has helped to write some 40 books on the Ontario and San Antonio Heights Railroad.

He has built 90 models since 1960 and is a director of the Orange Empire Trolley Museum in Perris, Calif., which boasts the oldest running electric equipment still in existence.

An almost fanatical saver, history buff Smith has hundreds of old black and white photos of old trains from all over the world.

Birds of a feather

Don Stone, president of the Upland Lions Breakfast Club, John Tundis, chief cook, and Roger Olson, ticket chairman, have a date with this bird. Sunday, August 29, all of Upland is invited to Upland Memorial Park for the Breakfast Lions' second annual barbecue where chickens will be pit cooked to perfection by Tundis. Food will be served from 3 to 8 p.m. Proceeds go to the Lions general charity fund. (See story in Community News.)

Public mtg. planned

As a result of studies requested by the California Legislature in 1969 to indicate the State's responsibility for constructing and maintaining highways and freeways, certain changes could occur in the State Highway System in this area.

A committee made up of the elected and professional staff, appointed by James A. Moe, California Director of Public Works, conducted the studies. All streets and highways in California were classified as to the type of service they provide, with an estimated cost of bringing them up to reasonable standards by 1990.

The California Department of Public Works is holding a series of public meetings this month, primarily to discuss functional classification as a basis for establishing criteria defining the role of the State Highway System, and to receive suggestions from citizens, local agencies and interested organizations prior to developing final recommendations for consideration by the State Legislature in 1972, as required by Section 256 of the Streets and Highways Code.

For the convenience of the public, proposed classifications are identified and discussed on a County-wide basis. The Los Angeles County area meeting is scheduled for 9:30 a.m. on Monday, August 23, in Room 115, California State Building, 217 West First Street, Los Angeles.

Citizens who attend will have the opportunity to make their views part of the official record.

Lipscomb memorial dedication

William H. Byers, Chairman of the Lipscomb Memorial Committee announced the dedication of Camp Glen Lipscomb in the Holcomb Valley Scout Reservation at Big Bear Lake will be Saturday, September 11 at 10 a.m.

Byers said establishing a Boy Scout Camp in honor of the late Congressman Glenard P. Lipscomb grew from the desire of his many friends to create a memorial which would continue to grow in meaning through the years. New generations of Scouts attending Camp Glen Lipscomb will be exposed to the influence of this devoted political leader who put country above self as they associate their pleasant experience with his name and character.

Everett Vinzant, Scout Executive stated the Lipscomb Memorial Committee which collected the funds for this memorial and the Old Baldy Scout Council are working together to make the event a great occasion. Other memorials will be dedicated and an open menu; Cliff Brier, Everett Tozier and Robert Berryman, barbecue and feeding; Ernie Wagner, program; Clark Hungerford, facility tours; Bud Girard, camping demonstrations; Robert Nichols and Kenneth Fowkes, invitation. Also assisting are William Metcalf, President of the Old Baldy Scout Council; Everett Vinzant, Scout Executive; and Clem Neibel, chairman of the former Lipscomb Committee.

A barbecue lunch will be served at \$2 per person. Reservations may be made at Old Baldy Headquarters, 120 W. San Jose in Claremont 626-3552 or 985-3011.

OUT OF MY MIND...

Moms

If you see a glassy-eyed woman with one or more exuberant children, be good to her. It's a Mom, and you can bet school's around the corner. These Moms are just barely hanging in there during this last mile. On Monday, Sept. 13, the school bell rings and spells freedom for Mom. By October, she'll be clear-eyed and then comes Halloween and with it the arrival of the Christmas season caper. Moms never win in this world, but most of them wouldn't be anything else.

Please don't

It's the fire season and one of the biggest problems next to fighting a fire is fighting the sight-seeing people. Officials have asked that children and motorists and everyone else stay away from fires. Some firemen have had to stop fighting fires to evacuate youngsters standing in the path of the flames.

Fire is not healthy for children and they impede the firemen. Keep them at home when there is a fire; and you stay there with them, too. Motorists should get out of the fire area as fast as they can and not sight-see. There are better places to see the sights, like Disneyland. Please cooperate with these hard working firemen and stay home when there is a fire.

Go camping

Want to get away from it

all? Try the back-country of the National Park System.

Forty-one remote areas are described in a new pamphlet "Back-Country Travel in the National Park System," now available from the Government Printing Office.

George B. Hartzog, Jr., Director of the Department of the Interior's National Park Service, said the compilation is the latest in a series of publications on travel and recreation in the nation's parks.

"This is a pocket guide for getting away for a while to share in the majesty of our natural environment," Hartzog said. "In it are both rules and suggestions for the public's enjoyment of trips by horseback, foot or canoe into the primitive areas of our national parks."

The pamphlet is available for 35 cents from the Superintendent of Documents, U. S. Government Printing Office, Washington, D.C. 20402, under catalog number 129.9/2:B 12, stock number 2405-0267.

Other publications in the series, also available are:

"Boating Regulations in the National Park System" - 40¢, catalog 129.9: B 63/970, stock 2405-0243.

"Camping in the National Park System" - 25¢ lists all campgrounds operated on National Park-

lands, catalog 129.71:971, stock 2405-0266.

"Fishing in the National Park System" - 30¢, lists all fishing areas, types of fishing available and license requirements catalog 129.2:F 53/3/969, stock 2405-0004.

"Living History in the National Park System" - 30¢, describes live demonstrations of historic equipment and techniques which can be seen by visitors, catalog 129.2: L 76, stock 2405-0216.

"National Parks and Landmarks" - 55¢, lists and describes areas administered by the Nat'l Park Service and designated landmarks of national significance, with addresses and acreage of park, catalog 129.66:970 stock 2405-0204.

"National Parks of the U.S." \$1.50, a series of eight maps showing the Nat'l park system including maps of metropolitan Washington, D.C. and New York City, five maps of sections of the U.S. and one map of the entire nation. Catalog 129.6:P 23, stock number 2405-0030.

"Winter Activities in the Nat'l Park System" - 35¢, lists facilities and programs at 12 areas from Maine to California, catalog 129.2:W 73, stock 2405-0262.

Purchasers should include a check or money order made out to the Superintendent of Documents with each order and also the catalog number and stock number.

Upland Coin Club

Mrs. Ethel Lenhart will be the featured speaker at the Upland Coin Club on Saturday August 21. Mrs. Lenhart will talk about the history, customs and coins of the Republic of Tunisia from Roman times to the present. Coins and medals of the country will be displayed by the speaker.

The Upland Coin Club meets in the Community Building in Upland Memorial Park on Foothill Blvd. near 11th Street. Doors open at 7 p.m. Interested persons are invited to attend the meeting.

Refreshments, awarding of door prizes and an auction of quality coins will follow the talk.

Council overrules planners-- apartment zone change denied

Homeowners from the area adjacent to a citrus grove on the northeast corner of 8th St. and Benson Ave. were exuberant in their response Monday night when the City Council denied a zone change request to allow an apartment development on the property.

Property owner Jack Singer appealed a recommendation by the Planning Commission that the Council deny the zone change on the 7-acre tract and recommended that it should be developed to be compatible with the single family residential neighborhood to the East.

Residents of that tract jammed the Council Chamber to protest more apartments in their neighborhood. About half a dozen residents addressed the Council.

Robert J. Barrett, 1420 W. 8th Street, saying he represented himself and

his wife in protesting the proposed apartments, said he had circulated a petition and collected signatures of 140 neighbors who also opposed the apartments.

Other residents mentioned the large number of apartments already in the neighborhood, crowded schools, and the city's Master Plan which calls for single family dwellings on the site. One man asked the Council to consider buying the citrus grove for a park for the

residential neighborhood already developed.

Joe Parrish of Upland proposed to construct a planned unit development of 18 units to the acre on the tract. Singer said he was asking no favors of the Council, but Parrish had made him the "only offer I've had on that property in 20 years."

The Council voted unanimously to follow the recommendations of the Planning Commission and deny the zone change.

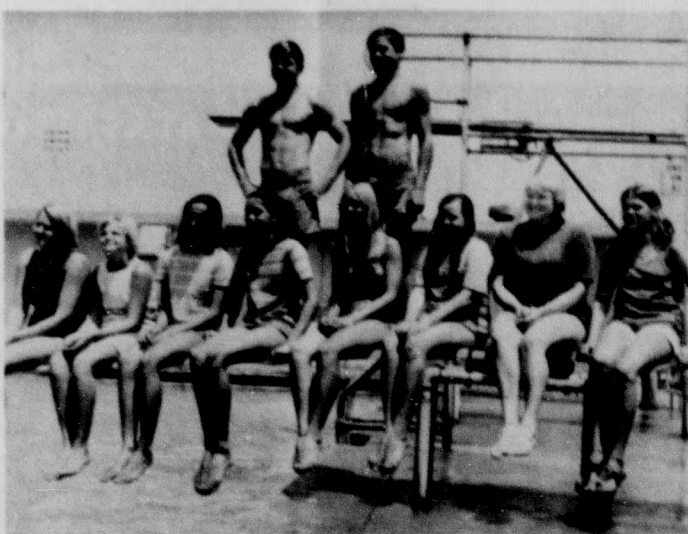

County slates public auction

A public auction of tax deeded parcels of real property located in San Bernardino County will be conducted by the San Bernardino County Tax Office commencing at 9 a.m., Tuesday, Sept. 21, 1971 and continuing thereafter from day to day as necessary.

Unless sooner re-deemed, a total of 332 parcels will be offered for sale to the highest bidder for CASH at time of sale. Personal checks will not be accepted. Cashiers checks, certified

checks or money orders must be made payable to the County Tax Collector with no exceptions. Interested persons must be present in person or represented by predetermined agent. In that deeds will be issued in the name of the highest bidder. Bids by mail are not accepted.

The sale will be conducted in the San Bernardino County Agricultural Building, 566 Lugo Ave., San Bernardino. Printed brochures of parcels to be sold are avail-

Alex Tobin victorious in osteopath fight

UPLAND -- An Upland attorney won a three-year court battle last week with the State of California ensuring the right of doctors of osteopathy (D.O.) to be examined and admitted to practice in California.

Alexander R. Tobin of the Upland law firm of Tobin and Gassner filed suit for eight Doctor-Plaintiffs in 1969 against the Board of Medical

Examiners and the Board of Osteopathic Examiners charging them with discriminatory licensing practices. No osteopathic physician and surgeon had been examined or licensed in California since 1962, Tobin said.

Superior Court Judge Frank G. Kinnegan, in Sacramento, ended the three-year court battle last week by ruling in favor of the doctors of osteopathy (D.O.)

American heritage

Two Upland Girl Scouts are among 50 from this area participating in a Specialized Day Camp where they are learning the arts of our American Heritage. Anita Diamond, above, is busily engaged at the sewing machine, making a sunbonnet at the studio workshop. Sally Smilkstein, below, is being shown old fashioned remedies for cough and hand creams that used to be made and used by our ancestors in this area. Her adult volunteer is Leah Schroeder. The Day Camp is sponsored by the Spanish Trails Girl Scout Council.

Christian Science

UPLAND -- Man's right to insight and wisdom will be brought out Sunday at Christian Science church services.

First Church of Christ, Scientist, 1429 N. Euclid Ave. holds services at 11:00 a.m. All are welcome and child care is provided.

Property sales listed

Annually, on or before Sept. 8, the State Law prescribes the publication of all real property that was sold to the State of California for non-payment of the total amount due for taxes, assessments and other charges for the previous fiscal year. A list of all property sold to the State on June 30, 1971 for delinquent taxes of the fiscal year 1970-1971 will be published in the Redlands Daily Facts and will appear in the publications of Sept. 8, 15, and 20, 1971.

Copies of the publication will be mailed, upon request. Such requests must be received on or before Sept. 1, 1971 and addressed to Redemption - Sales Division, County Treasurer - Tax Collector, 3rd Floor, Hall of Records, San Bernardino, Calif. 92401. Requests received before the above date will be mailed direct from the Redlands Daily Facts on or about Sept. 8, 1971.

Architects chosen for regional park

An Ontario architectural firm designated to design buildings for the Cucamonga-Guasti Regional Park have suggested an early California design to complement the vineyard heritage of the community.

The firm of Harnish, Morgan and Causey of Ontario will design 5 small utility buildings, including an entrance or gate building to house administrative offices; boat rental, office and storage facilities; snack bar and dressing room for the swimming area and several outdoor toilets.

A spokesman for the

architect said they favor a central architectural theme of exposed timber and mission tile to complement the vineyard and mission heritage of the Cucamonga community.

Engineering is presently being prepared for the earth moving necessary before any structures can be erected in the park. Earthwork is expected to go to bid by early September.

The architects are expected to have their drawings ready for bidders some time in October. Architects fees for the building design will be \$10,500.

Chaffey College receives funds

ALTA LOMA -- Cal State San Bernardino and Chaffey College were among San Bernardino colleges to receive Federal Higher Education student loan fund allocations in Washington this week.

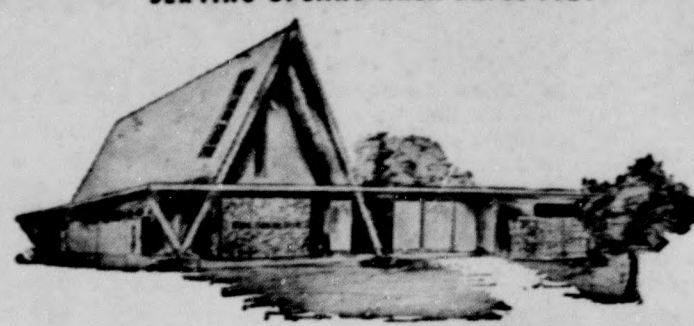

Congressman Jerry L. Pettis announced loan allocations to Chaffey College of \$20,540 and Cal State San Bernardino of \$140,272. At Cal State,

310 students will be assisted, and 60 students will be assisted at Chaffey College.

Pettis said the Federal government contributes 90 percent of the fund with the remaining 10 percent contributed by the school. "With this loan program, the government is encouraging the education of our young people at a low cost to the taxpayer," he said.

Ronald Burks

CUCAMONGA -- Army Private Ronald E. Burks, 19, son of Mr. and Mrs. D. E. Burks, Cucamonga, is assigned to Ft. Ord, Calif., where he is training under the modern volunteer army field experiment.

The new concept, called Volar, combines basic and advanced individual training into a single 16-week program. Decentralized instruction at the unit level and a reduction of formations and inspections gives the soldier more time to train and increased off-duty time. Fewer restrictions on off-duty travel and improved living facilities are other benefits of the Volar concept.

Pvt. Burks is scheduled to complete the first phase of his Volar training on Sept. 3.

Richard Erikson

UPLAND -- Sergeant Richard A. Erikson, son of Mr. and Mrs. C. Robert Erikson, Upland, has been named one of the top 15 percent in his Air Force specialty. He will receive a Superior Performance pay bonus for six months as a result of his selection.

Sergeant Erikson, a communications specialist, was chosen for his leadership, exemplary conduct, technical skill and duty performance in competition with all other airmen in his grade and specialty.

He is presently serving at Goodfellow AFB, in a unit of the U.S. Air Force Security Service.

A 1967 graduate of Upland High School, the sergeant attended Chaffey College.

Don Cozza

UPLAND -- Army Private Don R. Cozza, 20, son of Mr. and Mrs. Don A. Cozza, Upland, recently completed the first phase of training under the modern volunteer

army field experiment at Ft. Ord, Calif.

The new concept, called Volar, combines basic and advanced individual training into a single 16-week program. Decentralized instruction at the unit level and a reduction of formations and inspections gives the soldier more time to

train and increased off-duty time. Fewer restrictions of off-duty travel and improved living facilities are other benefits of the Volar concept.

Kenneth Brewster

UPLAND -- Private Kenneth M. Brewster, son of Mr. and Mrs. Leon K. Brewster, Ontario, re-

cently completed eight weeks basic training at the U.S. Army Training Center, Infantry, Ft. Polk, La.

He received instruction in drill and ceremonies, weapons, map reading, combat tactics, military courtesy, military justice, first aid, and army history and traditions.

His wife, Mary, lives in Upland.

Bruno Ketola

Unemployed engineer finds job

MONTCLAIR -- Being laid-off from the aerospace industry after 20 years of work is no longer news, but it is if the worker can find a new, responsible job quickly.

Such was the case of B.O. "Bruno" Ketola who is currently being trained by Bill Grant of the Pomona Valley Fire Equipment Co. to start a similar business in Sacramento.

Ketola was laid-off from Aerojet General from its plant near Sacramento. Grant had a great deal of sympathy for Ketola's position as he is also a former aerospace worker who left the business six years ago to establish the highly successful fire equipment company.

Grant knew Ketola from time they served together during World War II. Ketola was laid-off from Aerojet in May and began work at Grant's in July. He has passed his state exams for repair and service of fire systems. Grant said he had

thought about starting a business in Sacramento. He is particularly considering the Fair Oaks-Carmichael area in Sacramento's north area.

The new firm "Safety Master" will provide three-year contracts in industrial service.

Ketola has been doing all the work that the servicemen do and has been operating the warehouse, and studying purchasing and shipping-receiving. He described his job as "enjoyable and rewarding."

He will take over the Sacramento business in September.

Luncheon honors retiree

A retirement luncheon in honor of Board of Equalization District Administrator Robert R. Gregory will be held at the National Orange Show in San Bernardino on Tuesday, August 31.

Gregory, who has represented the three county area of San Bernardino, Riverside and Orange for the past nine years, will complete a 38-1/2 year distinguished state career.

Master of Ceremonies and host for the occasion will be Richard Nevins, Chairman of the State Board of Equalization.

Reservations for the luncheon may be obtained by enclosing a check in the amount of \$4.75 to Robert L. Lively, Trustee, State Board of Equalization, P. O. Box 1305, San Bernardino, 92402, or telephone (714) 888-9388.

SB forest busy place

Increased demands for camping and picnic space in the San Bernardino National Forest has brought on a need for additional safeguards to prevent forest fires, protect the watersheds, insure public safety, and provide for a satisfactory recreation experience according to a statement made today by Forest Supervisor Don R. Bauer.

The San Bernardino National Forest with 9.5 million recreation visits last year, is now the most heavily used National Forest in the Nation. "This demand far exceeds the capability of existing facilities and severely limited construction funds have curtailed planned new campground development", stated Bauer.

To help in part to meet the need, additional areas have been temporarily designated by the District Rangers as overflow campgrounds in the Forest. These sites lend themselves to the "wheeled" campers, primarily, since developed facilities in these areas are at a minimum. Through these additions, tent campers should more easily locate areas for their use in developed campgrounds. As in the past, however, each site will be restricted to one family or a maximum of six people with one vehicle or one vehicle and a trailer in those parking spurs where they can be safely parked.

Overnight camping is not permitted in areas of the Forest other than in developed campsites, wilderness areas, specially designated (and posted) overflow areas or areas specifically designated on an individual basis in a written permit issued by the District Ranger. Last year's sad

experience with major fires resulting from illegal campfires and the serious health problems encountered at Deep Creek, as a result of increasing unauthorized recreation use, has conclusively shown that "back country" camping in undeveloped areas must be restricted to safe areas, Bauer stated.

The Wilderness and Primitive areas have also felt this increased use. Special Wilderness permits are now required prior to entering any of the 17 Wilderness and four Primitive areas in the National Forests in California. Applications for these permits can be obtained from any U.S. Forest Service Station and some Sporting Goods stores in the State.

Most of the camping areas on the San Bernardino National Forest are under the National Golden Eagle charge program. Purchase of a \$10 Golden Eagle Passport from any Ranger Station or the Forest Supervisor's Office will entitle the holders family entrance into any Forest Service campground or picnic area in the Nation. On some of the more desirable or highly developed areas an additional use fee is charged. On the San Bernardino National Forest, 13 of the 43 campgrounds require an additional \$1 per day use fee with the Golden Eagle Passport, or \$2 per day without it.

If we are to adequately protect the National Forest for present and future use and enjoyment we must call on the owners of the land (the public) to support this and other land use management programs, Bauer concluded.

Quill pen art

Jodi Shroy of Montclair is learning how difficult it was to write with a quill pen during a session at the studio workshop sponsored by the Spanish Trails Girl Scout Council. Jodi is learning how to make and write with the old fashioned instrument as part of a program teaching the arts of the American heritage. She is one of 50 girls participating in the summer program.

A time to dream

Janece Ledbetter, of Upland, is caught day-dreaming by the photographer while visiting the Girl Scout Junior Woodsman Camp. This is a short-term resident camp sponsored by the Spanish Trails Girl Scout Council and is designed for girls who have had some experience in out-door camping and are anxious to improve their skills and share what they have already learned. The Day Camp portion is to plan meals and program for their week's outing at Twin Valleys near Wrightwood.

Repertory theatre at Arrowhead

The North Shore Repertory Theatre of the University of California, Riverside, will open its second season the week of Monday, Aug. 23, at Lake Arrowhead in the San Bernardino Mountains with productions of "The Taming of the Shrew" and "The Fantasticks."

The company will present each show for six performances in an open-air theatre at the Lake Arrowhead UC Conference Center.

Tickets, which are \$2 general and \$1 students, are available at the UCR Theatre Box Office or at the theatre on the nights of the performances.

OFFER TO CONSIDER EQUIVALENT MATERIALS
Notice is hereby given that proposals for equivalents will be considered in accordance with the procedure established herein in connection with the forthcoming notice by the Board of Supervisors, Los Angeles County, California, calling for construction bids for furnishing all materials, labor and equipment required for the construction to complete the following work:

SD	PROJECT	SPECS.#	DEPOSIT	DEADLINES	
				POST MARKED	HAND DEL.
1	Johnstone Peak Microwave Building 2000 North Sycamore Canyon Road San Dimas, California	3146	\$10,000	9-3-71	9-3-71

Drawings and specifications are on file and open to the inspection of interested parties, and copies of drawings and specifications may be obtained for a deposit as indicated above, at Room 103, Los Angeles County Engineering Building, 108 West Second Street, Los Angeles, California. Deposit is refundable on return of drawings and specifications in good condition within forty-five (45) days after bid opening date or, if Notice Inviting Bids is not advertised within forty-five (45) days after the hand delivered deadline date, plans and specifications must be returned within sixty (60) days after the hand delivered deadline date.

Whenever in said specifications any material is specified or indicated by patent or proprietary name and/or by the name of manufacturer, the material so specified or indicated shall be deemed to be followed by the words "or equal". Any material considered equivalent to that specified or indicated, may be offered in the following manner:

Any proposed additional equivalent material must be offered in writing, specifically and comprehensively described with an accurate reference to the Specifications page and paragraph or drawings sheet number specifying the material for which the additional equivalent is proposed.

Sufficient technical data, details, descriptive literature, catalogues and samples, if necessary, shall accompany said additional equivalent material offer to enable the County Engineer to determine whether or not the material proposed is equivalent to that specified.

The written offer and all supporting data shall be individually and clearly labeled with the pertinent Specification Number and project name and title of the work on the lower left front surface of a sealed envelope or package in which said material is enclosed.

The envelope or package shall be mailed to the County Engineer, Room 700, Los Angeles County Engineering Building, 108 West Second Street, Los Angeles, California 90012; postmarked not later than midnight of the day shown in "Pertinent Data Table", or may be delivered to the office of the County Engineer at the same address not later than 4:30 p.m. of the day shown in "Pertinent Data Table" under heading of hand delivered.

If delivered by hand the offer and supporting data shall be enclosed in a sealed envelope or package, and it shall be the responsibility of the person offering an equivalent to verify that the envelope or package is time-stamped with the County Engineer's time-stamp at the time of delivery.

Any proposed additional material offered in accordance with the above requirements will be evaluated by the County Engineer as to equivalence with that specified.

In addition to proposals for equivalent materials, proposals for modification of the contract time period(s) as set forth in the specifications will be considered when offered in accordance with the before stated procedure and time limits. Any proposal for an increase or decrease in the contract time period(s) must contain a clearly worded statement explaining the reasons in favor of the change.

At the time the Notice Inviting Bids is advertised, the specifications will embody an Addendum which will stipulate additional equivalents, if any, which will be acceptable to the County and may be furnished at the Contractor's option in addition to the specified material. At the same time a copy of the Addendum will be mailed to all parties who are on record as still in possession of drawings and specifications obtained at a prior time.

Savings and Loans finance over half the homes in this country

by Lewis S. Eaton, Vice President
United States Savings and Loan League

We've been committed to helping American families buy homes for over a hundred years.

Take the last three years, for example. Three years when money was tight. Three years when mortgage money seemed to be drying up.

1967: Savings and Loan Associations supplied 56% of the total mortgage loans made, providing 17.8 billion dollars.

1968: Savings and Loan Associations supplied 58% of the annual total, providing 19 billion dollars.

1969: Savings and Loan Associations made 59% of the total, providing 18.9 billion dollars for home mortgages.

And our commitment will be honored this year, too, by providing over half the home mortgage money.

We're facing the future with confidence. We have good reason.

The Savings and Loan industry has currently invested over 150 billion dollars in residential home mortgages.

And we did it by encouraging thrift. By employing the savings of our 45 million depositors—investing and re-investing in home mortgages.

Over the years, in fact, more than 90% of Savings and Loan investments have been in loans on residential properties.

When it comes to home financing, Savings and Loan Associations will continue their leadership.

Because—we're committed to it.

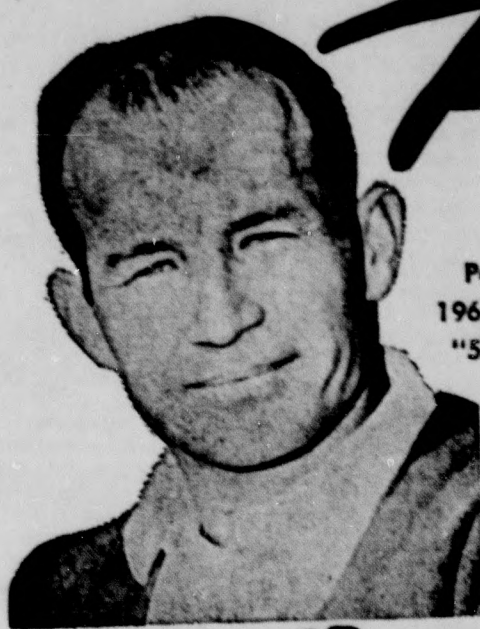

We might ask, "Where would our housing supply be if there were no Savings and Loan Associations?"

LA VERNE - SAN DIMAS-Mrs. Robert (Freda) Ringhoff of La Verne emerged as winner of the three-day Championship Tournament, held recently by the San Dimas Canyon Women's Golf Club on the local golf course. Mrs. Ringhoff won low gross for 54 holes with 274 during the three days. She was awarded a large trophy.

Insurance rates told

MONTCLAIR --CIF insurance for students participating in football will cost \$22 this year announced officials at Montclair High School.

Insurance may be purchased in the high school student store during the mornings of Aug. 30-31 and Sept. 1-10. No equipment will be issued until a player has paid his insurance or satisfied the school he has adequate coverage by a policy belonging to his parents.

To be acceptable, the policy must contain an accidental death clause for at least \$1,500. Insurance for boys participating in all other sports will cost \$5.50 for CIF insurance or \$4.10 for United Insurance Co. coverage.

Athletes who have not taken their physical exams should contact the school's athletic trainer or pick up the necessary appointment forms from the high school.

UPLAND -- The Ninth Annual Ontario-Upland Novice Tennis Tournament, sponsored by the Upland Recreation Department, concluded August 4, after an exciting display of tennis ability by the young players.

In the girls' 14 and under division, the longest match of the tournament was won by Janice Nufer of Ontario, as she defeated Carolyn Baker with a set score of 9-7. After a close match Betty Jeffrey of Ontario defeated Cheryl Gude 6-4 for the title in the girls' 12 and under division. In the girls' 10 and under division, Jeannine Edgington bowed to Karen Schneider of Upland in a 6-1 set.

The boys' 12 and under

Seven sports eliminated

A budget cutback of \$17,000 by the Associated Students, Inc. has resulted in a recommendation from the Athletic Department of eliminating seven sports at Cal Poly, Pomona.

The recommendation, which received a unanimous vote from the coaches, would eliminate men's golf, soccer, tennis, and gymnastics; women's gymnastics and swimming; and coed volleyball.

"I really dislike having to drop these sports," said Athletic Director Don Warhurst. "We are negotiating with the ASI for more funds and if they are obtained, it is possible that some of these sports could be re-instituted."

Athletics' original budget request for 1971-72 was \$71,000, but the ASI has approved only \$54,000, a cutback of \$17,000. The \$54,000 budget has not been approved by College President Robert C. Kramer, who must give his approval on all ASI budgets.

Director gets new post

Sports information Director Buck Peden will leave his post at California State Polytechnic College in Pomona to accept the position of Publicity Director for the Chicago White Sox baseball team.

Peden, 39, has been handling the sports information chores at Poly for the past year while completing his Bachelor of Science Degree in Specialized Journalism and while working on his Master's Degree in Physical Education.

division found Scott Colbath victorious over Jack Firmer with a set score of 6-1.

Upland figured prominently as two city youngsters battled for the 10 and under division title. Shaun Skinner emerged the victor over David Flickinger, 6-1.

A.L. greats

When the La Verne American Legion Post 330 baseball team met for an end-of-the-season dinner, three members emerged as trophy winners by vote of their team members. Pictured from left with Coach Dick Solomon and Manager Deac Kennan are Greg Thompson, most inspirational; Don Lawler, most improved; and at back, Mark Bumstead, most valuable. The team began the season with eight straight wins, but slumped when their two winning pitchers were drafted into pro ball.

An 81 takes first annual golf tourney

WALNUT -- Wiley Strickland fired an 81 over the parched Diamond Bar Country Club Sunday to capture the first annual City of Walnut Men's Golf Tournament by 4 strokes.

Earl Conn, Don Tweedie and Jim Green were tied in second place with 86.

Other winners were Paul Fuzzard who won first low net at 72, Strickland who captured second low net, Conn, third low net, Sam Siegel, fourth

low net, and Gene Cuthbertson, fifth low net.

Ross Rohn and Green took pin honors on the ninth and seventeenth holes respectively. Green and Conn took longest drive honors on the fifth and twelfth holes.

Jim Ivins got into the most traps and Fuzzard swam in the most water.

Tournament Director Don Garrett stated that all participants seemed to enjoy themselves, regardless of the hot climate.

Steve Ruggles takes closed tennis tourney

UPLAND -- Steve Ruggles, last year's most valuable player in the Mission Conference (Chaffey College) completely dominated the Upland Closed Tennis Tournament held July 24-25, July 31-August 1, at the Upland High School courts.

He defeated Jim Jensen (Cal Poly Pomona) 6-1, 6-2, in the men's singles final while an hour later he teamed with Dennis Savatano to defeat Jim Jensen and Neil Snowden 6-3, 4-6, 6-3, in the men's doubles final. Savatano

also defeated Bob Sparks 6-4, 6-2, to win the Junior Boy's Singles title. Steve came back with Jill Rossiter the same afternoon and defeated Bob and Karen Holycross 6-2, 6-3, to win the mixed doubles title.

In other events, Chris Stadler defeated Kirk Colbath 6-1, 6-3, to win the Boy's 14 years old and under competition. Karen Holycross defeated Laurie Weeks 6-3, 6-3, to grab the Girl's 16 years old and under event.

All-Star game squeaker, East over West--14-10

By Jim Lough

The East All Stars, quarterbacked by Damien High's Kevin Carroll and with last-second heroics by ex-Bonita star Allen Carter, defeated the West by a narrow 14-10 last Thursday evening at Citrus College Stadium.

Before a full house of approximately 10,000 fans, the East took an early lead, when with 9:29 remaining in the initial quarter, Nogales' talented fullback Fred Price crashed over from the six.

The West was without the services of their Dynamic Duo, Pat Haden and John McKay Jr., who were forced to bypass the contest because of injuries suffered in the Shrine

game. Someone forgot to tell them that the East was a marginal favorite to win. With guys in their backfield like Chuck Hirono, Don Jennison, and Joe Lockhart, who dazzled the crowd with their shifty, broken-field running, and with Blair's All American Forrie Martin, the two squads were loaded to the hilt with talent.

The air crackled with electricity in the East when the ball was handed off to the kingpin of all running backs in the nation, Allen Carter. Although aggravated by shin splints, Carter carried the load on the ground for the East in the first half, gaining 55 yards. When the West's defenses zeroed in on Allen, and his speed was hampered

by a pulled thigh muscle, Price ripped off valuable yardage to put his team within the shadow of the goal posts several times.

All CIF 2A "Player of the Year," Larry Mushinski from Temple City, put the West on the scoreboard when he booted a field goal with four minutes remaining in the first quarter.

A second quarter TD was nullified by a holding infraction, when Carter walked the tight rope up the sidelines from the 19.

Blair's lanky (6-4, 202) Charlie Phillips, quarterbacked the West. He can run and throw amazingly well, has the ability to execute under great pressure. He was 7 for 22

in the passing department, amassing 79 yards in the air. Phillips kept the ball 14 times but was held in check by two great line-backers, Art Green of Pomona High, and his Red Devil teammate, Gary Meastas.

Bonita's Brad Baughman (All SAL 2 years, All San Gabriel Valley and All CIF) gave the same tremendous support to the East's offensive line as he did so well for the Bearcats. A tough little guard (5-9, 170), Baughman can push and shove with the biggest lineman

and hold his own.

To say that East Coach Larry Zeno was delighted with the victory is somewhat of an understatement. He and his entire staff nearly carried Carter off of the field following his go-ahead TD. Bonita fans will welcome the talents of Pete Lopez, an extremely able football coach, who will assist Zeno in the upcoming season. Lopez was chosen to help pilot the East All Stars.

The forgotten man in the stadium had to be On-

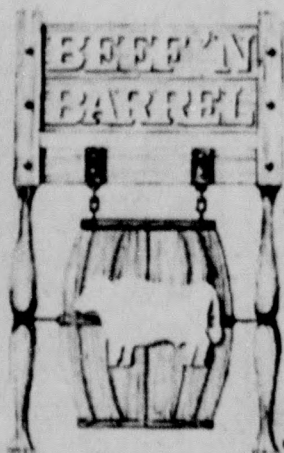

tario's great Bob Young. Bob was sidelined after a shoulder injury in practice, and was unable to play. An extremely talented man, Bob at 6'4" led Ontario to a great basketball season, and drew raves from Larry Zeno as one of the finest split ends he has seen. Bob watched the game intently, alternating between the bench and mingling with the players.

Also on the sidelines, assisting with statistics, was Bonita's stellar QB, Ray Anderson.

Disneyland entertainment

Leslie Uggams, singer and Broadway performer, Les Brown, Tex Beneke and The Modernaires, and The New Seekers top Disneyland's entertainment lineup for Aug. 22-28. Miss Uggams, whose vocal and acting talents have won wide acclaim, entertains on Tomorrowland Stage Mondays through Fridays at 9 and 11 p.m.

Appearing through Sept. 3, Miss Uggams is joined by the "Kids Next Door" with their fun-filled song-and-dance routines.

Also contributing to Disneyland's after-dark entertainment is Les Brown and his acclaimed "Band of Renown."

Brown appears at the Plaza Gardens nightly, except Sunday, beginning Thursday, Aug. 26, through Sept. 4.

Following Tex Beneke and The Modernaires, who conclude their Plaza Gardens engagement Wednesday, Aug. 25, the "Band of Renown" performs from 9 p.m. to 1 a.m.

For guests in search of rock music, England's The New Seekers sound out from Tomorrowland Terrace Monday through Friday, Aug. 23-27 at 10 p.m. and midnight.

Sunday, Aug. 22, the Sun Spots present their upbeat offerings on Tomorrowland Terrace from 9 p.m. to 1 a.m., while Saturday, Aug. 28, The Master Plan and The Sophisticates share the Tomorrowland Stage spotlight from 9 p.m. to 1 a.m.

Mod music buffs can also listen and dance to Disneyland's own Sound Castle Ltd. on Tomorrowland Terrace nightly, except Sunday, from 8 p.m. to 1 a.m.

Photo exhibit slated at fair

Color as well as black and white slides and prints from as far away as Malaysia and India will be on display in the 15th Annual Exhibition of Photography held annually during the 17-day Los Angeles County Fair, beginning September 17.

Other countries represented in this year's contest include Poland, Australia, Pakistan, and Viet Nam. Also entered in the competition will be individuals from throughout the United States, Mexico and Canada.

Entries will include black and white and color prints and color slides. New in this year's contest will be the Stereo Color Slide division. This newly opened division will exhibit two slides taken simultaneously from slightly different positions and viewed through special glasses to give each picture depth and contrast.

Assistant Director Dorothy Decker describes the concept as "very similar to stereo music, but instead of using both ears you use both eyes, and you see more depth and contrast than you see in normal slides or pictures."

Also being shown at this year's exhibit will be the 30 winners of the Press Photographers Society of Southern California competition.

Amateur photographers from local high schools and colleges will also be displaying their works in the Schools Division of the show. Classifications in this division will include Animals and Pets, Commercial, Illustration, Human Interest, Pictorial, School Activities, Formal Portrait, Informal People, and Creative Photography.

The judging for the Schools Division will take place August 21 with Earl Theisen, a well-known photographer formerly from Life and Look magazines doing the judging. The deadline for entries is set for August 17.

Judging in the Print and Slide Division is scheduled for September 4-5. The deadline for entries in this division is August 26 for prints and September 2 for slides.

The public is invited to each judging which begins promptly at 9 a.m., in the Photography Building on the fair grounds.

Prize winning slides and pictures in this year's contest will be on display throughout the 17-day run of this year's exposition which begins here September 17 and continues through October 3.

Residence Hall a busy place

California State Polytechnic College, Kellogg-Voorhis, Pomona, has announced its residence hall accommodation and activity plans for the college's summer quarter of classes, July 1 to September 3, and its two summer sessions, July 1-30 and August 2-30.

According to Mrs. Ruth R. Coopersmith, assistant director of housing-business, the Cal Poly, Pomona summer residence hall program offers students air conditioned and carpeted accommodations, easy access to the college's library for research and study and access to the athletic facilities and to

La Cienega residence reception center. In addition the college student personnel division conducts a schedule of regular college activities and sponsors outdoor movies on the lawn.

A new form of residence hall dining will provide all on-campus students with a la carte breakfasts and luncheons and an option to seek their own dinner on or off the campus.

The new dining plan has been instituted, said Mrs. Coopersmith, because many summer students work and cannot be on campus in time for dinner and other frequently

dine out with their friends and families. Under the two-meal plan students won't pre-pay for dinners they can't eat. For those students who wish to remain on campus for the dinner meal, she said, the college will operate a snack bar, complete food vending centers and residence hall kitchens.

Room and board for the summer quarter will cost \$234 per person; room and board for each of the four-week sessions will be \$104 per person.

For additional information telephone Mrs. Coopersmith at 714/595-1241 or (213) 964-6424, extensions 592 and 535.
